THIS IS WHAT
YOU GAVE:

\$5,233,456

AN INCREASE OF \$977,251. OR 23%

With the figures tabulated and put before us in print, it's easy to see that the results are gratifying. And they have become more so since K mart became part of the United Way Corporate Development Program in 1981.

In 1980, before joining the program, the total gift (employee and corporate contributions) was \$2,115,636. In 1982, after joining, total gift was \$4,256,205.

K mart, along with United Way sincerely thanks all those who so generously gave to those who are less fortunate than we are.

ALL MEMBERS OF THE K MART ORGANIZATION:

The 1983 United Way campaign once again was a great success. Your generous support can be truly classified as outstanding.

The economy in 1983 was one of recovery. However, hundreds of thousands of people are urgently in need of required human services. The United Way through hundreds of charitable organizations will give these services.

The K mart Corporation's total gift of \$5.23 million will provide much needed assistance to thousands. You can be justly proud of your 23% increase.

We commend you for a job well done!
